Attention : Dale Scott
President

Dear Dale :

I would like to take this opportunity to express our appreciation on behalf of BMO Bank of Montreal Financial Group of Companies for your continued efforts in elevating and recognizing the support the Fraser Valley Marine Society has received from the BMO Bank of Montreal Employee Charitable Foundation.

I have been in contact with our Branch Manager Carol MacNeil in Mission who has advised me the arrangements are in place for a cheque presentation on site at their branch on February 23, 2008. The branch expressed their appreciation in your Society's proactive approach in having the local Mission Newspaper present in profiling the event.

The 19 Volunteers for your society, who make themselves available 24 hours a day, 365 days a year in supporting the Fraser Valley shows the community dedication and support we are proud to be associated with.

Sincerely,

Sherry Addison
